

La raccolta differenziata

- Colora di **verde** i rifiuti di vetro, di **blu** quelli di plastica, di **giallo** quelli di carta e di **marrone** quelli organici.

La raccolta differenziata

- Collega ogni rifiuto al contenitore in cui dovrebbe essere inserito.

La raccolta differenziata

- Ognuno dei seguenti contenitori contiene un rifiuto sbagliato. Individualo e cancellalo con una X.
